

Our Story...

We began in 1980 with the desire to create a successful business while raising our small children. It was important to us to create a healthy eating alternative for people living an "on the go" lifestyle. So we set out to create a restaurant that would provide the best and freshest ingredients. A place where homemade food could be served fast...in a warm inviting atmosphere where customers would feel at home.

Putting a second mortgage on our home and relying on the generosity of our friends, the first restaurant was built. My Friend's Place was named in honor of the people who helped open our first location. A niche between the area's fast-food and white-tablecloth restaurants was born.

Three years later, we opened a second location, which was a huge step toward our Company's growth. By 1990, we had six locations throughout the metro Atlanta area.

Even though our menu includes some delicious homemade desserts, we believe that a healthy lifestyle should involve exercising regularly and eating a balanced diet that includes a variety of natural foods.

The menu has slowly changed throughout the years. From our early days of offering **homemade egg, chicken and tuna salad** we have now added deli sandwiches, wraps, and catering. Our menu will continue to evolve to provide our customers with a wider array of healthy food choices.

Thanks to our LOYAL customers, hard WORK, great FOOD, dedicated FRANCHISE OWNERS and our dear FRIENDS, My Friend's Place has prospered.

THANK YOU for patronizing My Friend's Place.

We treat our customers Like Our Friends...
